GUESS WHO'S COMING TO DINNER...
ARCHIECOMICS.COM

Welcome to Sonic's comic book adventures – a world beyond what you know from the SEGA games! Where Sonic's heroic friends, Amy and Cream, have ventured to Blaze the Cat's dimension to help search for the Sol Emeralds!

SONIC UNIVERSE™

PREVIOUSLY...

A PRINCESS IN PERIL!

No sooner did our heroes set sail, did they find trouble – trouble in the form of an enemy pirate ship made of metal!

Sensing the power of the Sol Emerald aboard the sinister vessel, Blaze took it upon herself to board the ship and fullfill her quest.

Little did the fiery Princess know that the last Sol Emerald was in the hands of the merciless pirate known as Captain Metal! The metallic marauders unleashed a laser canon on our hero's ship, the Ocean Tornado, leaving nothing but scraps floating in the sea!

With the final Sol Emerald out of reach and her friends destroyed, Blaze the Cat is now at the mercy of the evil Captain Metal...

I AM BLAZE THE CAT; PRINCESS AND GUARDIAN OF THE SOL EMERALDS, THE GEMS THAT KEEP THIS WORLD FROM FALLING INTO DESTRUCTION.
AFTER MONTHS OF SEARCHING, I HAD NEARLY TRACKED THEM ALL DOWN. MY FRIENDS HAD BEEN CALLED HERE FROM THEIR WORLD TO HELP ME FIND THE LAST EMERALD. BUT I WAS TOO LATE, AND NOW IT'S IN THE HANDS OF THE MONSTER THAT LEADS ME INTO CAPTIVITY: CAPTAIN METAL.
THE VILE PIRATE SANK OUR SHIP AND MY FRIENDS WITH IT. ONCE I FIND OUT WHAT EVIL HE HAS PLANNED, I WILL TRY TO ATONE FOR MY FAILURE BY BRINGING HIM TO A MEMORABLE END.

Dear 'My Sonic Universe,'
A little birdie told me that you guys are doing a saga on Blaze and Marine and friends, is this true?

Was it a Flicky bird?! Those critters are so cute... *AHEM*...we're in the middle of Blaze and Marine's story right now! "Pirate Plunder Panic" features Sonic's best gal pals on a sea-wide adventure to collect the last Sol Emerald, but you probably already knew that after reading this issue! And for even more Blaze and Marine action, be on the look out for Sonic Universe vol. 6 "Treasure Team Tango" graphic novel coming later this holiday season! plugplugplugplugplug

Also, my sister thinks that Tails and Marine should be together and I agree!

Jake K. sent to Sonic@ArchieComics.com

Thanks for the letter, Jake! Tails and Marine are in completely different dimensions, so that would be a REALLY long distance relationship!

Dear 'My Sonic Universe,'
It's me again with some thoughts on "Pirate Plunder Panic". It's amazing that Amy Rose is showing up again. During the arc I think Amy should show off her acrobatic skills, could she do that?

Amy Rose is going to be pulling out all the stops this arc, keep your eyes peeled! Also, keep your head low when she takes out her Piko Piko Hammer!

Cap'n Metal is looking to be quite the villainous robot, he's also looking kinda familiar...

Does he? :)

I just saw the cover of Sonic Universe #57 and was shocked to see everyone underwater trying to get the Sol Emerald, Amy was wearing her dress and boots *laughs*. Who wears a dress, gloves and boots underwater?

Amy Rose is a go-getter! A little water won't scare her!

Just what is the Egg 'O War?

Why, it's Captain Metal's biggest, most deadly weapon in all his pirate-ey arsenal! It also looks awfully familiar...

Well that's all I have for now, I'll BE SEEING YE NEXT TIME FOR THE NEXT PART OF PIRATE PLUNDER PANIC!

James M. sent to Sonic@ArchieComics.com

Thanks for the letter, James, and for your hand at some arrrr'right pirate speak! There's more perilous pirate adventures to come!

See you next month for part two of PIRATE PLUNDER PANIC!
